Alternative C

Comparison to Praxis 0014: Test lengthened from 2 hours to 3 hours with change in proportional representation to allow more reliable ELA and Mathematics scores.

		Testing Time		Scores	
		(minutes)		scaled & equated	
		Total	Module	Module	Total
C	180	60	Mathematics	30%	M
		60	ELA	40%	E
		60	Social Studies	15%	No separate scores
			Science	15%	
				Tot	

Notes about C:

- Percentage distribution for the four subjects agrees with ETS national survey of Elementary Ed teachers and teacher educators.
- Total score (Tot), Mathematics score (M) and ELA score (E) are reliable enough to be consequential..
- Total score (Tot) cannot be equated to Praxis 0014 score, but a *concordance* is possible between Tot and Praxis 0014.

With the adoption of Alternative C we would have a separate ELA score for all elementary candidates. The board eliminated the requirement of #0300 Reading Specialist if the elementary education candidate takes 0014.
